I. About W.C.C.

A. History & Golf Course

Waterville Country Club was founded in 1916 and sits on over 150 acres of land. The first player to ever tee off at our club was none other than 1913 U.S. Open Champion, Francis Ouimet. The original 9-hole course was designed by our founding members and was redesigned in the 1930s by Orrin E. Smith, who worked for many years under well known architect Donald Ross. In 1967, an additional 9 holes were built in conjunction with reworking the existing holes to give our members the 18-hole course that currently sits here today. This expansion and redesign is credited to Geoffrey Cornish.

B. Nineteen 16 Restaurant

The newly named Nineteen 16 Restaurant, located on site, is available to the members as well as the public. Nineteen 16 caters to all needs as it features multiple lounge areas, a dining area and a banquet room. The lounge areas include a bar plus three different patio options which are perfect for those long summer days and nights. The banquet room is utilized by the club for special events but is also available to be reserved for private functions.

In addition to the restaurant's standard offerings, Nineteen 16 also offers daily lunch, dinner and drink specials to satisfy all customers. Whether it be the twin lobster dinner, our 4th of July BBQ or a draft beer from one of our many taps, you will not be disappointed with the atmosphere or the offerings from Nineteen 16.

Nineteen 16 also hosts a number of social events for the membership each year including live music, comedians and much more!

Be sure to ask about joining Nineteen 16's MUG CLUB!

C. Pro Shop & Other Facilities

Are you looking for the newest driver on the market or want to improve your wardrobe?

Waterville Country Club's pro shop is the place for you. Our pro shop is stocked with all of the top brands in the golfing industry. If you can't find what you are looking for, don't panic, we might be able to custom order it for you.

Interested in working on your game?

The pro shop is where you will pick up your range balls before experiencing our practice facility. Located behind the restaurant and beyond the 18th green, our rebuilt practice facility allows you to work through your whole golf bag. We even have a practice bunker if your sand game needs some work.

Range not working? Need a lesson?

PGA Professional Don Roberts is the man you need to see. Don is available for lessons throughout the season; all lessons must be scheduled in advance with the pro shop. Don also runs a variety of weekly clinics for those members who might feel more comfortable in a group setting. Don is a great resource for our club and is always willing to help!

Where do you get ready for your round?

Downstairs from the restaurant you will find both our women's and men's locker rooms. While the locker room and its facilities are open to members and guests, you must be a member to secure use of a locker for the season.

Can I store my clubs on site?

We offer club storage, located next to our pro shop, to our members for both golf bags and push carts. Remember to ask our staff about club storage if this interests you as space is limited!

III. Club Events

A. Club Golf Events

June 22nd & 23rd - Club Calcutta
July 27th - Married Couples
October 21st - Cry Baby Open

July 4th - Stars & Stripes
August 3rd & 4th - President's Cup

July 13th - Island Party Par 3

Member/Member Events: Member/Member events are held once a month in the months of May, June and July. These events are a great way to meet other members and enjoy a round of golf. The event format could be anything from ABCD best ball to point quota, ALL HANDICAP BASED! Most Member/Member events are 8 AM shotgun starts with an occasional event that allows participants to play in their own tee times.

Stars & Stripes: Held on the 4th of July, the Stars & Stripes event is a unique golfing experience that allows players to play from different tees. Teams will play 6 holes each from 3 different tee markers to complete an entire round. Nothing like celebrating America's birthday with a fun round of golf!

Island Party Par 3: The entire golf course is turned into 18 par 3s! This is a two person scramble event that embodies all the fun you can have at WCC. Usually an afternoon event that is coupled with fun beverages and a good time in the sun!

Married Couples Tournament: Our married couples event is just what it sounds like. You and your significant other will tee it up against other couples. This event is held in the afternoon and is usually followed by a meal/drink in our restaurant.

President's Cup: Considered to be a "major" here at Waterville Country Club, the President's Cup is a two-day point quota event. This event allows you to play in your own group as there is no set tee times.

Hot Dog Open: The Hot Dog open is held in honor of the late Alfred Oberlerchner. Alfred graciously operated our food and beverage operation for over 20 years. This is an event that Alfred used to organize and run to kick off our silly season at the club.

Cry Baby Open: The Cry Baby open is one of our members' favorite events. Club Superintendent Chris Warren will set up the course in a very difficult and unconventional way. The Cry Baby Open is another event where you can play in your own group and is held near the end of our golfing season.

This year's party will be held on May 18th, the day before the season's first Member/Member event. This is a great way to meet new members while celebrating the excitement of another golf season!

Themed Dinner Nights: Throughout the season we will select a few nights to host a themed dinner. It might be an island themed Jimmy Buffet Night or a BBQ Country & Western Night. No matter the theme, funny will be had by all!

Club Entertainment: In addition to these big events, the club will also provide other entertainment throughout the season. The entertainment you can expect to see will include a karaoke night, a craft beer tasting and many musical acts.
